43912957	DD H 43 COOL CAT 851	BULL	851	42893945	This calf is out of a ten year old cow that is a martiarch of the herd. His sire's dam is a cow we consider one of the top cows in the breed from Copeland Herefords as she has produced several trait leading herd sires. If you keep replacements this bull should fit the bill.
43912975	DD 8 43 COOL CAT 852	BULL	852	43192238	Being sired by the 3494 bull this calf will bring performance and maternal traits to the table. He is one of our picks from this calf crop due to his design and red meat. He is a dark red bull with full eye pigment.
