A Clear Field of Vision for the *Next Generation*

# Welcome Fellow Cattlemen & Cattlewomen

Thank you for another year of supporting our program!

We are so excited to announce we will be back at the National Western Stock Show in Denver in 2022! This will mark our 77th year to display a sampling of our bulls in the Yards. Our time in Denver always allows us to meet and visit with cattlemen from across the country. The knowledge we gain is invaluable and helps us continuously move our program forward.

We invite you to come visit us at the NWSS to view the bulls or come to the ranch at any time to view bulls and heifers. We would love to visit with you anytime about how our program can help your program. Every year we strive to move our program forward by purchasing top-end herd sires from respectable programs to cross on our very solid cowherd. Our cowherd has evolved and changed with the times. This has been accomplished through strict culling practices and introducing new, trait-leading genetics. Let this hard work go to work for you too!

We are proud to offer this year's selection. The bulls are a solid, stout set that are ready to go to work.. The females offered this year are out of very maternal, sound cows. We are pleased with this group and hope they can work for you, too!

Sincerely,

*Chuck, Megan & Walter*

# Sale Information

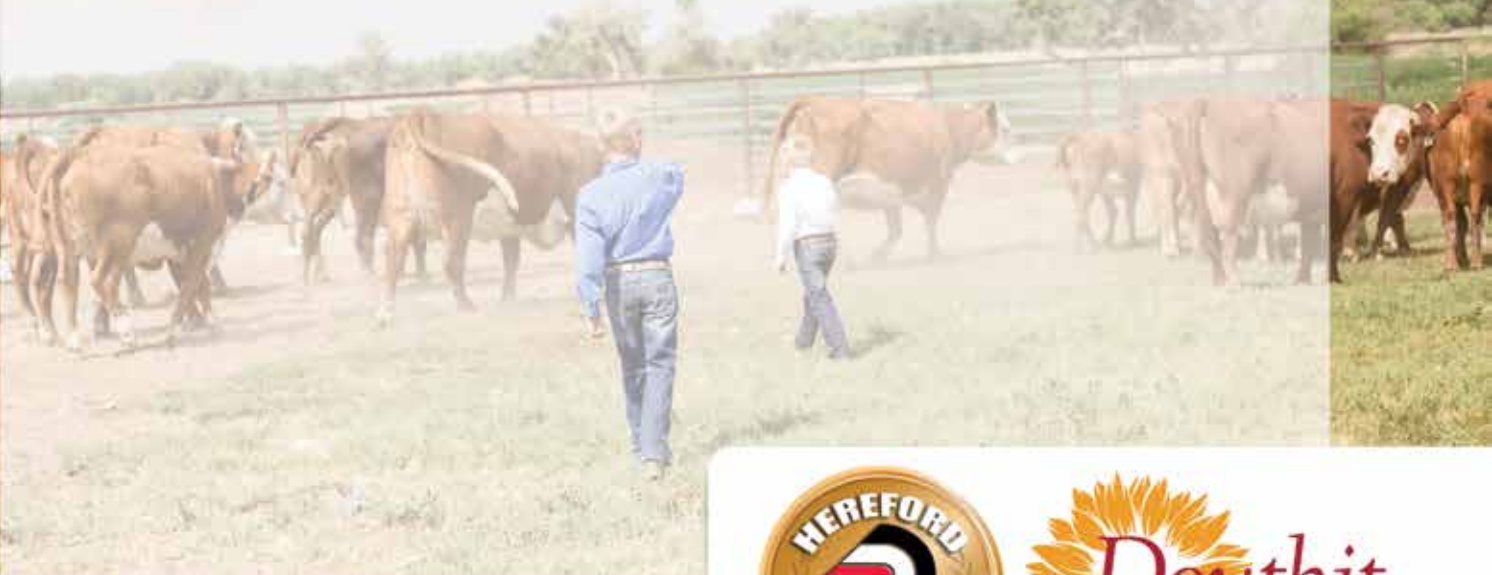

Offering: 26 2-Year-Old Bulls, 25 Yearling Bulls, 20 Registered Hereford Heifers & 20 Baldie Heifers

- All cattle are sold on a first-come, first-served basis.
- A 50% deposit will hold the animal(s) until delivery with the remainder due upon receiving possession of animal(s).
- We will diligently work with you on delivery.
- We will keep all animals sold for over \$5,000 free of charge until delivery. Animals sold for less than \$5,000 will accrue a \$2/day/head yardage fee.
- All bulls will have passed a breeding soundness exam and all bulls over 24-months of age will have a current Trich test.
- We highly encourage insurance on your purchase.
- Bulls are guaranteed breeders for their first 90-day breeding season. If the bull is unable to settle cows during this time, credit will be given on a replacement bull. We must be notified immediately if this occurs.
- We offer volume discounts on bulls, heifers and semen.

## Our Program

All animals are developed with longevity and soundness in mind. We do this by developing them on a high roughage diet. Calves have NEVER been given creep, are on a mineral program (Vitaferm) and all rations are developed by Dr. Day. The cattle for sale are adequate in their condition, but not excessive. We feel that their genetic merit can be determined with a moderate energy ration.

The cattle are on a vet-recommended vaccine and deworming protocol. We utilize professional advice from Dr. Tom Svoboda and Republican Valley Vet Clinic and feel they are critical in keeping our cow herd healthy and productive.

Listening to what our customers need  
to make their operation a success.

# Heifers

## **Commercial Heifers**

This year we are excited to offer 20 commercial Hereford heifers for sale. These heifers can be papered if the purchaser wishes. They are sired by the herd sires listed in the catalog. They are right from the heart of our breeding program.

## **Baldie Heifers**

We are also offering a solid set of baldie females for sale. There are fourteen black and five red baldies available.

All of the heifers offered for sale have been pelvic measured, on a complete vaccination (including brucellosis) and deworming program. They have been developed on a high-roughage diet that includes Vitaferm mineral to set these females up for long, productive careers.

**Please contact us for individual data, information on these fine females.**
