Offering: 17 Registered 2-Year-Old Bulls & 22 Registered Yearling Bulls

# 2026 PRIVATE TREATY BULL SALE

*Thank you for trusting us...* the bet is yet to come.

To our loyal customers, partners, and friends—thank you for believing in our ranch and our Hereford program. Your trust is the driving force behind everything we do, and we are honored to be a part of your success.

This year marks another step forward in our pursuit of excellence. Our mission is simple: **progress for our herd means progress for yours.** We remain committed to sourcing and producing not only herd-changing genetics, but genetics capable of moving the breed forward.

We invite you to visit the ranch and evaluate this year's offering firsthand. These cattle are **stout, structurally sound, and ready to work**, and built to add value to your cow herd.

As we gear up for the National Western Stock Show in Denver, we're proud to celebrate our family's **82nd consecutive year showcasing bulls.** Whether you're a longtime customer or someone we've yet to shake hands with, we hope to connect with you in the Yards and share our passion for Hereford genetics.

From our family to yours, we wish you a prosperous New Year. There is much to be thankful for in this business—and we are grateful to be a part of your operation.

**The Downey Family**

# Sale Information

Offering: 17 Registered 2-Year-Old Bulls & 22 Registered Yearling Bulls

- All cattle are sold on a first-come, first-served basis.
- A 50% deposit will hold the animal(s) until delivery with the remainder due upon receiving possession of animal(s).
- We will diligently work with you on delivery.
- We will keep all animals sold for over \$5,000 free of charge until delivery. Animals sold for less than \$5,000 will accrue a \$2/day/head yardage fee.
- All bulls will have passed a breeding soundness exam and all bulls over 24-months of age will have a current Trich test.
- We highly encourage insurance on your purchase.
- Bulls are guaranteed breeders for their first 90-day breeding season. If the bull is unable to settle cows during this time, credit will be given on a replacement bull. We must be notified immediately if this occurs.
- We offer volume discounts on bulls, heifers and semen.

## OUR PROGRAM

All animals are developed with longevity and soundness in mind. We do this by developing them on a high roughage diet. Calves have NEVER been given creep and are on a mineral program (Vitaferm). The cattle for sale are adequate in their condition, but not excessive. We feel that their genetic merit can be determined with a moderate energy ration.

The cattle are on a vet-recommended vaccine and deworming protocol.

Listening to what our customers need  
to make their operation a success.

# Dams of DISTINCTION

The Dams of Distinction program recognizes superior cows in the breed and the cattle producers who manage them based on data submitted to the American Hereford Association (AHA). Efficient, fertile and productive females are the foundation of the most successful cow herds.

## TO QUALIFY A COW MUST HAVE:

- Weaned a calf born since Jan. 1, prior to the qualifying year.
- Produced at least three calves.
- Initially calved at 30 months of age or less.
- Had an interval between the first and second calves of no greater than 400 days. In addition, a 370-day calving interval must have been maintained after her second calf. The longer initial calving interval allows breeders to calve 2-year-old heifers prior to the mature cow herd.
- Had weaning records submitted to the AHA Whole Herd Total Performance Records (TPR™) Program for every calf produced that was born before June 30 of the qualifying year.
- Had a progeny average 205-day adj. WW ratio of at least 105.

## RECOGNIZING THE BEST

A cow receiving the Dam of Distinction honor is a cow that meets the highest standards of commercial cattle production. The cow must do her job, but also her owner must manage the herd correctly to give her the opportunity to excel. Only a few active cows are recognized. All heifers have the potential to be a Dam of Distinction, but only a small percentage fit the job description of an ideal cow year in and year out.

Females attaining the Dam of Distinction status are recognized with "DOD" after their names when doing an animal or EPD inquiry on Hereford.org.
